By applying to renew the permit for my mooring, managed by PEYC, I confirm that I have read and will abide by the Dock & Mooring Policies including the new policies related to Pollution Prevention.

With your permission, PEYC will accede to a request from the local PEC MOE and Picton Fire Department for a list of the mooring permit holder's mooring number, owner and boat names and contact phone number, to help them begin an immediate response should they arrive on scene to address a marine spill in progress. PEYC encourages this, as a fast response to any spill would help mitigate any possible fines and charges to the boat owner and protect the harbour water quality. Please check the box signifying your agreement to release your information.

Yes, I agree to provide my contact information No, please do not include my contact information

NB. Maintaining the integrity of the mooring is your responsibility. Your signature is required for insurance purposes and to absolve the Prince Edward Yacht Club of mooring-related damages.
